

Covenant Christian High School

New Sports Lighting:
Integral Driver Assemblies
on High School Soccer Field

Grand Rapids, MI

Project Summary

Lighting Standard

Class III

Level of Play

High School

Size of Field

1x Large (360' x 180')

Project Situation

Following a significant makeover of their facilities, including the installation of concrete pathways, a new track, and field amenities, Covenant Christian High School enhanced their soccer field lighting. This upgrade not only illuminated the new additions but also enabled the facility to be used both during the day and at night.

Product Details:
