Baseball Field

London, ON

Project Summary

Lighting Standard

Class II

Level of Play

Professional & Other

Size of Field

1x Large (340' x 415' x 340')

Project Situation

Labatt Memorial Park stands as the world's longest continuously operated baseball field. This historic site remains active today, continuing to host professional games. Over the years, the park has been well-maintained and continues to serve the community. In partnership with the City of London, ON, Spartan Sports Lighting provided a complete solution to upgrade the field's sports lighting. The result is a modern and enhanced lighting solution that illuminates the field for evening games.
